### Notes:

L/STD-L are comfortable ladies Ts. They aren't tight at all – they are just designed specifically for women. REALLY! They are the same brand and material as the STD Ts and are not the “moulded” shirts (see below) that were previously the only ladies' shirts we carried – though those are still available too!!

The scoop and V-neck Ts are NOT low cut ... however, N/L/CRW-L, SCP-L, V-L and TV-L all run small and fit VERY snugly.

**We regret that we will no longer exchange shirts for another size or colour at camp. Please err on the side of caution (size-wise) when ordering – or, if in doubt about a particular colour designation, please ask.**

### Available Colours

The colour choices for some of the styles are too numerous to list. The shirts come in many different shades, so be creative, if you like! If nothing close is actually available, we'll let you know. HOWEVER, if colours ARE listed for any style, those are the ONLY colours available.
